Dear Miss Brunson,

Thanks you very much . That kind letter in today's mail, coming after a working day of 23 hours and 15 minutes yesterday, with flights to and from Chicago for a TV appearance and a "contrnotation" with the saurrilous Capitol record last midnight in Washington, gve it extra meaning and value to me.

Your theory on the silencers is intriguing. I'd never thought of it. It is also logical. On the rifles, ditto. Since the whole campaign to make it seem that the pictures and Xrays of the autopsy can validate the Report among the things I have been emphasizing is that they cannot show the KIND of weapons used.

Sincerely,

Harold Weisberg
